## Our Family History

---

The Pennack family have lived in the village of Great Baddow since the early 1700's. Charles Pennack (1740-1812) married Elizabeth Mulley, and their eldest son Charles (1771-1848) married Susannah Waller. Their eldest son, also Charles (1798-1871), became a carpenter and was the founder of the business T Pennack and Sons, with carpenters, builders, and undertakers. Charles married Elizabeth Saward who died in 1840 and then remarried in 1844 to Eliza Lucking.

James who was their eldest son (1847-1883), married Emily Butcher and ran the business from 1871 until his death in 1883. James' 2 sons, Arthur and Charles emigrated to New Zealand and their descendants are still living there.

It was James' brother Thomas (1851-1921) who was married to Hannah Butcher, and his eldest son William (1873-1924), who succeeded in the business, but sadly died at the age of 51. On his death two of his brothers Sidney (1879-1975) and Alfred (1881-1949) became partners in the business, until the death of Alfred, meant that Sidney became the sole proprietor.

Sidney's youngest son David (1906-1992) succeeded in the business and his son Anthony together with his wife Angela, acquired the business in 1980 and are now the present owners. Their son Philip and one of their daughter's Sarah, are both Directors of a well-established and highly regarded funeral directors, and this continues to the 7th generation of the 6 grandchildren.

## What to do when someone dies

Below is some helpful information regarding the death of a loved one and the steps that need to be taken next.

### Procedure To Be Followed After A Death

The Procedure to follow after a death will depend on the circumstances surrounding the death. A Medical Certificate of the Cause of Death must be obtained from a doctor. This Certificate will enable you to register the death and obtain the Death Certificate.

### When The Death Occurs At Home

Inform the family Doctor as soon as possible that death has occurred. He or she will complete a Medical Certificate of the Cause of Death enabling the death to be registered.

### When The Death Occurs In A Hospice Or Nursing Home

The staff of the hospice or nursing home will support you in obtaining the Medical Certificate of Cause of Death and will care for your loved one until they are conveyed to our funeral home in a dignified and caring manner.

### When The Death Occurs In Hospital

The bereavement services department of the hospital will assist you in obtaining the Medical Certificate of Cause of Death via the hospital doctor enabling you to register the death.

Your loved one will remain in the hospital mortuary until the death has been registered.

Once this has taken place we will make arrangements to convey your loved one into our care.

## When The Death Is Referred To The Coroner

Sometimes the Coroner will need to be informed when a Doctor cannot issue the Medical Certificate of Cause of Death. In these circumstances the Coroners Office will most likely produce a certificate once the cause of death has been established.

This will then enable the funeral arrangements to proceed and the death to be legally registered.

## Registering A Death – Who May Register?

If the person died in a house or a hospital, the death can be registered by:

- A relative
- Someone present at the death
- An official from the hospital
- The person arranging the Funeral

Deaths occurring anywhere else can be registered by:

- A relative
- Someone present at the death
- The person who found the body
- The person in charge of the body
- The person arranging the Funeral

Registration must take place within 5 days of the death. Most deaths are registered by a relative. The Registrar would normally only allow other people if there are no relatives available.

**Essex Registrars - Tel: 0345 603 7632 - [www.essex.gov.uk/births-ceremonies-deaths](http://www.essex.gov.uk/births-ceremonies-deaths)**

## Documents & Information You Will Need

### Documents

When registering a death you will need the following:

- Medical Certificate of the Cause of Death

And if available:

- Council Tax bill
- Driving Licence
- Passport
- Proof of Address
- Birth Certificate
- NHS Medical Card
- Marriage / Civil Partnership Certificate

### Information you will need to tell the Registrar:

- The person's full name at time of death
- Any names previously used (e.g. maiden name)
- The person's date and place of birth
- Their last address
- Their occupation
- The full name, date of birth and occupation of a surviving spouse, late spouse or civil partner
- Whether they were receiving a State Pension or any other benefit

## Tell Us Once

Tell Us Once is a service that lets you report a death to most government organisations in one go.

Tell Us Once will notify: • HM Revenue and Customs (HMRC) • Department for Work and Pensions (DWP)  
• Passport Office • Driver and Vehicle Licensing Agency (DVLA) • The Local Council • Veterans UK

## Documents You Will Receive

If a post-mortem is not being held, the Registrar will issue you with:

- **Certificate for Burial or Cremation (Green Form)**

*Given to the funeral director as soon as possible*

- **Certificate of Registration of Death (White Form)**

*Known as a BD8, this form is for DWP purposes*

- **Death Certificate**

*A certified copy of the entry into the register*

If a post-mortem is being held to determine the cause of death and the deceased is to be cremated, the Coroner will issue a Form 6 Certificate to the Funeral Director.

## Other Things That Need To Be Done

Not everything can be done straight away, particularly as this is a very difficult time for people to cope with, but it is important to:

- Make sure everyone who needs to know is told
- Arrange to see the deceased's Solicitor and read the Will as soon as possible, this will tell you if there are any special funeral requests and who the Executors are.

# Funeral Plans

## Funeral Planning

---

A funeral plan allows you to plan and pay for your funeral in advance and giving you lasting peace of mind that everything is in-hand.

With a funeral plan from Golden Leaves, you can secure the Funeral Directors fees at today's prices. In other words, there's no more to pay for the funeral directors' fees that are itemised within your funeral plan. Your funeral plan will also include an allowance towards the cost of third-party fees, for example, these might include cremation or burial fees, plus an officiant fee.

## Trusted provider of funeral plans

---

At T Pennack and Sons we work in partnership with Golden Leaves to provide you with a secure way to plan and pay for your funeral in advance. Golden Leaves have been at the forefront of funeral planning since 1984 when funeral plans first became available in the UK, so you can trust that your family will be provided the care and service from industry experts.

Financial security is provided by the Golden Leaves Trust which is managed by an Independent Board of Trustees and regulated to comply with the Financial Services and Markets Act 2000 (Regulated Activities) order 2001 and subsequently FCA regulation which came into being on 29th July 2022. The funds are further protected by the Financial Services Compensation Scheme (FSCS) should Golden Leaves Ltd go into administration however unlikely that maybe.

## Choosing your plan

---

We understand that everyone is different, which is why our funeral plans are designed to hold your personalised wishes in one place.

With a Golden Leaves funeral plan, there are 3 simple ways to pay. You can spread your payments over 12 interest-free monthly instalments or choose immediate cover with a single payment or by selecting our credit financed funeral plan (ask for terms and conditions).

When you get in touch with us here at T Pennack and Sons, we will take your name and your telephone number, and arrange for an experienced Golden Leaves Representative to contact you to discuss your individual requirements.
