## PRICE INFORMATION PROVIDED BY CREMATORIUM OPERATORS

The Funerals Market Investigation Order 2021 requires funeral directors to display specific price information provided by crematorium operators to make it easier for customers to access up-to-date information and to help increase customers' awareness of the total cost of the services they may require. Please find below the listed prices (incl. VAT) for persons aged 18+, which can also be found on the individual crematoria's websites along with their other charges for burials, interments and other services that they provide, incl. Visual Tributes and Webcast.

For the sad loss of a loved one under the age of 18 years of age, or a baby during pregnancy special rates apply, so please do not hesitate to contact us with your enquiry so that we may be able to assist you.
